

Quotes for this season:

We can easily manage if we will only take, each day, the burden appointed to it. But the load will be too heavy for us if we carry yesterday's burden over again today, and then add the burden of the morrow before we are required to bear it.

I am not what I ought to be, I am not what I want to be, I am not what I hope to be in another world; but still I am not what I once used to be, and by the grace of God I am what I am.

John Newton (who wrote "Amazing Grace")

Whatever your life's work is, do it well. A man should do his job so well that the living, the dead, and the unborn could do it no better. If it falls your lot to be a street sweeper, he should sweep streets even as Michelangelo painted, or Beethoven composed music, or Shakespeare wrote poetry. He should sweep streets so well that all the host of heaven will pause to say, 'There lived a great street sweeper who did his job well'.

Everybody can be great...
because anybody can serve.

We must accept infinite disappointment,
but we must never lose infinite hope.

Martin Luther King
